Job description:

ROLE AND RESPONSIBILITIES

Yew Tree Farm School are looking to recruit a classroom teaching assistant for our independent special school opening in September 2024. To work in a small class setting of students aged 7-11 alongside a class teacher and other teaching assistants.

Your responsibilities will be, but not limited to:

- Assisting the class teacher in preparing the lesson materials and school equipment
- Reporting student progress and managing online records of achievement using B squared software
- Helping students stay focused during their lessons
- Supervising group activities
- Helping the class teacher manage student behaviour
- Providing a healthy and safe learning environment for our young people

QUALIFICATIONS AND EDUCATION REQUIREMENTS

The ideal candidate will be a kind, punctual, and reliable individual with good communication skills and be competent when working with technology. Experience of working with SEN, challenging behaviour and young people is essential. A hard-working proactive team player who is happy to try new things with initiative. No experience of working with animals necessary. Training for physical intervention will be provided.

ADDITIONAL NOTES

Yew Tree Farm School C.I.C is a new independent special school working with students with autism and social, emotional and mental health needs. We are a working farm run by our students. The role is an exciting opportunity to join a growing friendly team who enjoy tea, baked goods and don't mind getting their hands a little dirty.

Interested candidates are encouraged to send a covering letter and CV to office@yewtreefarmschool.co.uk Candidates will require two references pre interview. Enhanced DBS checks will be carried out.
